“ Being the youngest, Mom wanted so much to be with her family that had already passed on. She missed them all. They included brothers Jimmy and Barney, sisters Dorothy, Rita, Beatrice, Adeline, Mary, and Gertrude. She had many stories to tell of them all. They loved one another, and family was everything. I feel heartfelt joy in your all having a "reunion" together. Love you so much and we all miss you!

“ *The one thing that touches my heart the most at this time is recalling something that my mom told me about. She said that when I was a child, I would often just walk up to her and say, "I love you mom!" So it bears repeating to her again, even though she can't hear at this time, "I love you mom!" I know very soon I'll see you again in the new system on a paradise earth.*
