“ I am proud to say that I had the privilege to be Billy and Joyce's physician for over 35 years. I couldn't have asked for two more wonderful people to know as friends as well as patients. Billy had such determination that no medical condition was going to stop him from living his life and caring for Carolyn. My best , also, to his sons Thomas and Steven. God Bless, Dr J

“ *I'm sorry for the loss of Bill. He took such good care of Carolyn. I used to see them together in pool at YMCA and it amazed me how he cared for her. God bless his family and his Cedar Grove family as well. May God comfort you all.*
