“ I hardly have the words, Bobby was my friend for 38 years, I am heartbroken over his passing, But I know he's seeing our Savior and all his loved ones that's gone on before. I will say it here as he and I always said whether on the phone or in person as we were about to leave or hang up, "I Love You Brother " And I'll see you soon

“ Bobby was a wonderful person. He and my son Jimmy were friends for nearly 40 years. I liked him from the first time I met him. Every time I ran into him anywhere we would talk for a while. The last time I talked to him was in September and he asked about Jimmy's surgery and told me to tell his brother he loved him. He always referred to Jimmy as his brother. The world would be a better place if more people were like Bobby Clodfelter. May his soul rest in eternal peace. I send my heartfelt sympathy to his family for their great loss. Their loss truly is Heaven's gain.
