“ Grace, our prayers are with you at this time. We are so very sorry, of the passing of Darin. He was the most humble and kind person, we've ever known. Always ready to lend a hand and help someone. The world seems a little smaller, and less bright, now with him gone. We will hold you in our thoughts and prayers, now and in the upcoming days. If you need anything, please reach out to us.

“ Grace and family, I am so saddened to hear of this devastating news. I know you and Jerry were so proud of the fine young man he grew up to be. He was just a young teenager turning wrenches with his dad when I first met him. Darin was not only the best mechanic I have ever known, but he was a true gentleman and a pleasure to do business with and to talk to. Darin always did whatever he could to keep our company vehicles running. He always did whatever he could to minimize downtime and expenses. I know he often sacrificed his own schedule not only for our company but for all of those in our industry which he served so well. I am traveling and will not be able to attend the service, but please know I have you in my prayers for God to give you peace, comfort and companionship during these tremendous losses you have experienced.

God Bless.
