“ *Went today and was shocked to see the flowers and note on door that Mr. Griffin has gone to be with God. He has been a special man to me, always so polite and had such a good sense of humor. He could not understand why I did not get my hair cut while on vacation. I simply told him I have never found another good barber. I am so very thankful for the times I had with Devoy. May the Peace of God be with the family.*

“ I am so very sorry for your loss. Losing a loved one in death is such a difficult thing to experience. Please be comforted by the promises in the Bible. Jesus tells us at John 5:28, 29 that all those in the memorial tombs will hear his voice and come out. What a loving provision put in place by the God of all comfort so we can have the assured hope of seeing our dead loved ones live again one day. Meanwhile as I pray for that day to come I ask Jehovah God to bless your family and give each of you the strength to endure this most trying time. For more information please visit jw.org.”

“ To the family of Mr. Griffin: Please accept my sincere sympathy. It breaks our hearts when death separates us from our loved one's. It is my strong desire to leave you with some comforting word. Often when we lose a love one in death we turn to the bible for comfort. God made a promise at Revelation 21:4 that He would eliminate the one that threatens the human family because he referred to death as an enemy. Isaiah 25:8 Isaiah 26:19 John 5:28,29 He also promised the life that was lost would be restored. May you find comfort in knowing your love one is resting safely in God's limitless memory. emb435800@twc.com
