“ *I worked with Doyle at Firestone Tire & Auto back in the summers of '70 & '71. It was hard, hot, dirty work but Doyle's attitude and work ethic made him fun to be around. He was always cracking jokes that made me smile. And, he was the best at changing the big tractor and truck tires. When I think back on those days it is with fond memories because of Doyle. I'm honored to call him a good friend. May he rest in God's peace*
