“ Wade, Clay, Crystal & kids, Thinking of you guys now and sending up prayers that God will wrap his arms around you and provide the healing and comfort you need at this time. Aunt Wink was a very precious lady and meant a lot to both Tom and I (our "adoptive" mother after Mother passed). She had a way of touching the hearts of people she knew in a way that will be remembered for years by many. Know that there are many of us who care for you and are praying for you. You always were there for Aunt Wink taking care of her and helping her through tough times. You will be rewarded for your caring and kindness. I know she is together now with Uncle Clayton and other family and they are probably having a great reunion! Take care and may God watch over you. Linda

“ Wade, Wink will always hold a special place in my heart. She was a second Mother to me and we shared so many wonderful times together. She was one of the most considerate, loving and caring individuals I've known. Wink touched the lives of everyone she met in her own special way. She is at peace now with others she loves and with her Lord. You were a good Son to her and looked after her well. She was always so proud of you! I will miss her dearly. Please know you are in my thoughts and prayers. Abbie

“ Wade, Aunt Wink was a sweet woman...she has been in a lot of pain the past few years and not herself. I will always remember her, the apple orchard and the high iron bed I had to use a stool to get into when I spent time at your home too many years ago to count....may the sweetest memories you have of her stay with you forever....(we need to visit more often.) You take care of yourself now and get some rest. Please know that I care and that you are surrounded by caring thoughts, prayers and friends. Love and best wishes. Carol Dean
