“ Dear Kelly and Karen, we were so sorry to read of Nookie's passing, but at the same time relieved to know that he was not suffering any longer. He and your mom are pain free and walking hand in hand rejoicing. What a beautiful reunion. May God be with you in this time of sorrow. Just grab his big hand and hang on and He will guide you through the valleys and over the mountains. We will be praying that good memories will keep you going, for we know that you had a special bond with your dad and you will miss him terribly. May God bless you and your families.
