“ I was married to him over 13 years we had our up and downs but he was always trying to provide for his family no matter what he had to do . Ill cherish all the times we had planning laughing but most of all even though at some point to divorce i would always love him and want the best for him . One thing for sure noone will make that honeymoon salad like he did or even his smile when ever he was up to something . Lee and wendy i am so sorry its not easy loosing a father your hero but i know he loved you both dearly without a doubt .
