“ Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.

“ I can only speak to his youth as we grew up two doors apart in Westerville. He was 2 years my senior and as such was held in much awe. After he graduated we never connected again, but he left an imprint on me that requires very high regard for those with whom he chose to spend his life. May God bless and comfort you all.
