“ Gene was first cousin to my father James Noah Hinson, M.D. and his siblings William Crowell "June" Hinson, Richard "Chub" Hinson, Betty Lou Hinson. Heath, Rachel Evelyn Hinson Hill and Margaret Ann Hinson Gordon. Gene's father Ed was a brother to my paternal grandmother Virgie Irene Eagle Hinson. Ed's wife was my grand Aunt Vi. She is the one who gave my grandmother some bannies when I was around 5 or 6 years old. It seems everyone is gone and I am trying to send a letter to his nieces, but need an address. My sympathies.
