“ Oh Hunter. I have such good things to say about you. You are an amazing strong survivor and such a great loving person. You fought against all odds and have affected many people in such a way. With your smile and big heart. Simply amazing! I'm so thankful for you and that God put you in my path of life. You are such a great daddy to Dawson and you love him with all your being. The way you fought and then came Karen. The love of your life. I can go on and on but this I know. I'm so thankful I know you and we will see you again ❤️

“ I have lots of memories of Hunter, but one of the best things to have witnessed was how he turned his life around and how great of a person, father, and husband he was. He was always smiling and full of life! He is missed, loved and will always be remembered.
