“ I've known JC since high school, and JC and a few friends were staying with me for a few months in 2012, around valentines we made a cake and we ended up in a big cake fight that had us cleaning cake out of everywhere for days. I still laugh about that every year. It was good times, good laughs and just a memory I will never forget.

“ Jacob was one my best friends in high school and as we grew older he was known to my daughters as uncle jc. This loss was devastating to hear and I pray for the family and Cashina I know he loved his mom with everything. I will cherish every memory I have and Jacob will never be forgotten. He was one of the greatest people I knew and always knew how to make someone smile with his goofy personality. I love you Jacob always will hold a place in my heart
