“ Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.

“ My deepest sympathies are extended to all of the Mauney family as you grieve the passing of your Dad. My parents, Spurgeon and Alene Brooks cherished their friendship with Jim and Doris for many years. Your Dad was such a friendly guy that never met a stranger. His kind spirit was a witness to his Christian faith. You are in my prayers.
