“ Jenni was a middle school teacher to my son and daughter. We are grateful for all the good things that she taught them! I especially remember her teaching them to perform the song, *That's what Faith can do*", and I am thankful that she helped take them to Washington DC for field trips. Since my husband is a pastor we were able to be at the hospital right when Colt was born. We are praying for the Lord to comfort and provide for Colt and all the family.

“ Jenni you were chosen by God to be a light in this world, and that you were! In spite of the difficulties you experienced, overcame, and struggled with, you have and will always leave a huge imprint on the hearts of those who you have known. I pray that the peace you have in your heart now, while in the arms of Jesus, can be felt by those who mourn your loss here on earth. You are loved, you are cherished, and you are missed!
