“ *My heartfelt sympathy goes out to each of you children at the loss of your mother and to you Uncle Steve at the loss of your lifelong companion. May each of you find comfort in knowing she is no longer suffering.*

I will always hold Aunt Joann in my heart. I remember when I was a young girl and she a teenager, she bought me a paper doll with hair. To me that was one of sweetest things anyone every gave me.

My love to each of you.

“ My grandma was an amazing person. We may have not got to see very often but she was always in my thoughts. She made my beautiful wedding dress and lots of things over the years for me as I was growing up. We are so very sad about our loss but know that she isn't suffering anymore and has joined God in Heaven. Thank you grandma for being such an inspiration to all your family and people who knew you.
