“ Mary was a sweetheart. I started working at Carolinas Medical Ctr in 2000 and she helped my little young mind grow. I was a very quick tempered individual that she took time with and taught me everything don't need a reaction. I am so thankful that I ran across her in my lifetime. Mary still checked in on me up until a few weeks ago. I didn't know the last time was going to be the last time. I will miss you my friend. Prayers to her family.
