“ Mary and family, so sorry to hear about Jan passing, he was such a hero to me. Took me along to play basketball with him so many times, life took us in different directions but I always thought about you and him so many times. He was a great friend to me and I will never forget him, he sure loved you Mary. I hope to see him again one day and I almost bet he will be driving a 1965 baby blue Mustang. Dale and Sherri Burris
