“ *My sincerest condolences to Mike's closest family and friends. I'm grateful for the years I was able to work with Mike as I witnessed the amazing person that he was: sincere, dedicated, caring, honest, kind, funny. Even when Mike was busy with the plethora of items on his to do list, he always put people first and was always willing to help. He made an impact on this world and I'm sorry he was taken so soon. Here is a photo of him enjoying Italian at a restaurant in Breckenridge called Michaels. He will be missed by many.*

“ Mike was like a son-inlaw to me. During COVID he had to come to our house to get internet service to do his job. It made me so happy to fix him scrambled egg sandwiches with hot sauce. He loved them and would tell Sam about them to make him jealous. He was always happy and smiling and such a good person. Love him so much and know that he will always still be with us in spirit and in my heart. When my mother was still alive he would come over with Sarah and Sam and the first thing he would say when he came through the door was "Hey Ms. Bea how you doing". I love you Micheal and will always have you in my heart and will always remember that beautiful smile. RIP sweet boy.

“ My heart felt condolences to the family. I am a service tech for ScentAir and I spent a lot of time on the phone with Mike. He was always so patient and helpful over the phone, and I could tell, just from those phone calls, that he was my kind of people. I met him early this year face to face when I visited him at the ScentAir office in Charlotte. We hit it off as friends and were planning on doing some fishing this year. I am so sorry that those trips didn't happen. I'm sure it would have been a great time with a great guy. He will be missed very much by many who have only spoke with him on the phone. I feel blessed to of at least have met him. Prayers...

“ I never met Michael in person but always loved getting his friendly voice on the other line when I needed help with tech support. He was so friendly, clearly knowledgeable in his job, and always willing to go the extra mile to help in any way he could. I will greatly miss the, "Hey girl!" on the other line. I am sorry for your loss. -Dana Schreiber

“ Have family and friends in my prayers at this sad time. We used to live on Ross Drive. One day we saw the red flag on our “cat mailbox” was up. We went to see why. We busted out laughing when we saw a frozen fish in it. We always thought Michael and Sam did it. Not sure, but we loved it! Lynda Nihart
