“ *What a super nice guy with a great big smile. I just heard about this today and I am shocked. We have not spoken in years but it didn't matter anytime we ran into each other it was like we never missed a day. I hope you have peace and I know your reunited with loved ones. You you were a bright light in a dark world I am just glad I had the privilege of knowing you. God bless the family and friends I am truly sorry for your loss.*

“ Michael were do I start you were always there with a smile willing to help anyone who needed your help. I remember our long rides and late in the night talks. You were my rock you gave me strength to face the world. There are so many good memories. When we found each other I knew I found my soul mate. You will have my heart forever. You fought a long hard fight babe. Rest in peace babe.

“ I was sitting here thinking of the memories of you from about 2nd grade riding the school bus to our bikes down the dirt road and playing backyard football with Barry, Chuck, and my brother and into our wild teenage years and into adulthood!! We were always laughing and cutting up and one thing was for sure Mike! You always had my back and I had yours. So go rest easy Brother and until then know you are missed!! Ben
