“ We are so saddened by Lee's passing. It was a shock when one of my customers at the bank told me this morning. Our thoughts and prayers from the Pearl Hatley family go out to all of Lee's family.

“ Judy and family, I am so very sorry about your son. I don't remember him, but, I'll always remember you and the good times we had when we worked together. I have thought about you often and wondered how you were doing and where you lived now. I can't say I know how you feel because I've never lost a child, but I know how it feels to lose a grandchild. I lost a granddaughter 3 years ago September 27. She was 33 years old. I know it has been one of the hardest things I've ever lived through. If it had not been for my faith and trust in God I wouldn't be here today. Please know that I will be praying for you during this sad time, that God will give you the peace and comfort that only He can give. I love you, and would love to talk to you sometime. God bless you and your family.
