“ *Vivian and Family. I am so truly sorry for your loss. Opal was in the room next to my mom (Ruby) at Stanly Manor. I would smile and wave at her as I passed her door and she would always smile and wave back to me. What a sweet lady. Our thoughts and Prayers are with you all. We are so very sorry.*

“ *Vivian and Family, How sad we are losing our Mom's generation of brothers and sisters and cousins. Our circle of life continues to begin and end, just as God intended. Miss Opal was a special lady to so many--kind, gentle, faithful to her family, church and God. May you all have peace in knowing how precious she was to so many. You are all in our prayers. “ Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.
