“ So many wonderful memories from spending time at your trailer (and later home) at lake James. Uncle Ed and Aunt Pat (your parents) we're so special. Your parents were awesome to all of us cousins. They are always in our memories and hearts. Prayers to your families as you grieve the loss of your mother. They will always be in your heart and ours as well. Mom passed away 18 years ago and not a day goes by that I do t think of her. Dad had his hip replaced on the 16th Jan at Parkview and is in the Randalia rehab Center getting back up on his feet. We were so blessed with our great parents and Hackman relatives. Condolences to you as you celebrate your mother's life but your heartbreaking loss. Christy (Ottawa Ontario)

“ Laura,
We are so sorry to here about your mother. No matter when you lose a mother it is too soon. I still miss talking to mine and asking for advise. Keep her in your memories and you will never be without her.
