“ My dearest Judy,
I am so very grateful to have met your sweet husband. Although he wasn't feeling well when you invited me for dinner he was a real trooper and I will never forget how kind he was and how delicious his roast pork was. I will cherish that memory forever. We are praying for you and those who loved your precious Robert. May the Lord richly reward you for taking care of him in such a loving and sacrificial way. ❤️

“ I'm sorry for the hurt that the passing of Robert will bring to you Judy & family, Barbara & family and Brenda & family. After he is done sitting at Jesus' feet and praising HIM, seeing all his family, I believe him & daddy will be talking something they both loved to do. You all are in my prayers.

“ I was so saddened to hear this news. Robert was a wonderful, caring person. I had just been thinking about him and started to call him last week. He really helped me when my husband was sick and treated me like a daughter. I've known him for about 30 years when he started selling insurance at the City of Concord. Thank you Robert for your friendship and all you've done for me. I'm praying for all of the family during this difficult time.
