“ I hope that in due time your family receives God's peace that excels all thought, so that it will guard your hearts and your mental powers by means of Christ Jesus. God is called the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation. So rest assured that he cares for all his creatures and he would never bring us suffering. A soothing scripture I like is Psalm 34:18 which reads: "Jehovah is near to those that are broken at heart, and those who are crushed in spirit he saves." Thus, while you await the Paradise where no one will be sick and die, may you lean on Jehovah God to cope with your separation from our beloved Stephen.

“ Steve Sasser was my Sunday School teacher for several years at Konnoak Hills Methodist church. He always delivered thought provoking lessons. Steve assisted me with the constructions of bar / storage compartment that I used in my dorm room at UNC-CH. My one and only ride on a motorcycle is also complements of Steve. Steve was a great friend to me, my family and I cherish memories of him. May his light shine on all of us.
