“ Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.

“ Such a sweet soul. She will be missed by so many people. I remember walking by her home seeing her catching a few rays in the driveway and spending time with her at the adult pool. But my fondest memories are of her taking time to talk to Laura. After Laura moved away, she always inquired about her. And like Troy's sister Toni, she had a soft spot for people with disabilities, always showing kindness toward them. Thank you for always being so kind.
