“ Tim was my best friend and roommate at NCSU for 2 years (actually three years - we shot hoops and ate meals before getting apartment off campus), We bonded on the basketball court where he excelled and I claimed some open shots because the opposing team flocked to guard him. Our intramural team lost only one game to NCSU Football players- why did they let scholarship athletes participate in intramurals outside of their official team - not fair). Anyway went to church together and visited at his home in Stanley County where it turns out my ancestors were before moving into Union County next door. Miss him greatly.
